

FOR IMMEDIATE RELEASE

Wine, on purpose.

A connected ecosystem of wine education products, programs, and experiences founded by Seth Cysewski — WSET Level 3 with Distinction, twenty-plus years in the industry.

FOUNDED IN SEATTLE · 2024

THE ECOSYSTEM

WINE WITH SETH

The umbrella brand. Corporate and private tasting events, small-group wine tours, and the digital platform.

THE WWS APP

An AI-powered progressive web app — wine lookup, tasting journal, blind tasting practice, and a 5,200+ article encyclopedia. Free to start.

WINESCHOOL

A structured self-paced education program built around the Mistral WineCards deck. \$89 Foundation Bundle includes deck, program, and 60 days of App Pro.

MISTRAL WINECARDS

A tactile, design-forward physical learning system. Flagship: Deck ONE: Global — 55 cards covering grapes, regions, terroir, and winemaking.

WINECHATS

A video and podcast series featuring real conversations with winemakers and wine professionals. Episode 1: Louis Skinner, Force Majeure Vineyards.

TEAM MATERIAL

Sister agency. Strategic growth and execution partner for wine, spirits, and hospitality brands.

ABOUT THE FOUNDER

Seth Cysewski is a WSET Level 3 (Distinction) wine educator, strategist, and product builder with over twenty years in the wine industry. He has worked across every function of the business — production, distribution, hospitality, brand marketing, and education — and has partnered with Marchesi Antinori, Chateau Ste. Michelle, Stag's Leap Wine Cellars, Champagne Nicolas Feuillatte, and Villa Maria New Zealand.

He has produced corporate tasting experiences for teams at Google, Microsoft, and Salesforce. Prior to his current work, Seth co-invented **vSpin**, a patented aerator/decanter featured on NBC's Today Show and CBS The Talk, and awarded the **2018 German Design Award**. He is based in Seattle.

“

Wine is fighting for attention against every other beverage on the shelf. The answer isn't louder marketing. It's better tools.
